Heather is a woman rich with experience. From dancing in the Limelight cages to on the Lincoln Center Stages. She has a NYC sensibility with a Downtown edge. A flair for fashion and old Hollywood with a sensual swirl of creativity. Heart and Soul of the South with a side of sarcastic grit, please! Will try almost anything once. Persistent and playing the long game. Keeps a secret and has a few of her own. Loves dogs, wine and talking on the phone. Call Me!
